

## Client Relationship Summary

### Jacobson & Schmitt Advisors, LLC (CRD# 140431)

#### Introduction

Our firm, Jacobson & Schmitt Advisors, LLC, is registered as an investment adviser with the U.S. Securities and Exchange Commission. Brokerage and investment advisory services and fees differ and it is important for you to understand these differences. Free and simple tools are available to research firms and financial professionals at [Investor.gov/CRS](http://Investor.gov/CRS), which also provides educational materials about broker-dealers, investment advisers, and investing.

#### Relationships and Services

##### What investment services and advice can you provide me?

**Services:** We offer investment advisory services to retail investors. These services include wealth management, which is a combination of financial planning and investment management. We may also offer financial planning and investment management as stand-alone services. We work closely with you to identify your investment goals and objectives, as well as risk tolerance and financial situation in order to develop an investment approach.

**Accounts, Investments, and Monitoring:** We provide services to individual, joint, retirement, trust, estate and 529 accounts. We primarily use stocks, bonds, mutual funds, exchange-traded fund, and alternative investments in constructing portfolios. We do not make available or offer advice with respect to only proprietary products or a limited menu of products or types of investments. As part of our services, we monitor portfolios and securities in accounts on a regular and continuous basis. We also meet with you at least annually, or more frequently, depending on your needs.

**Investment Authority:** We provide our services on a perpetual and discretionary basis. We execute investment recommendations in accordance with your investment objectives without your prior approval of each specific transaction. Our engagement will continue until you notify us otherwise in writing.

**Account Minimums & Other Requirements:** We generally require a minimum relationship size of \$25,000 in order to effectively implement our investment process. This amount may be waived or reduced at our sole discretion.

**Additional Information:** For more detailed information on our relationships and services, please see Item 4 – Advisory Services, Item 13 – Review of Accounts and Item 7 – Types of Clients of our Form ADV Part 2A available via our firm's [Investment Adviser Public Disclosure Page](#).

**Conversation Starters:** *Given my financial situation, should I choose an investment advisory service? Why or why not? How will you choose investments to recommend to me? What is your relevant experience, including your licenses, education and other qualifications? What do these qualifications mean?*

#### Fees, Costs, Conflicts, and Standard of Conduct

##### What fees will I pay?

**Asset-Based Fees:** Our asset-based fees for wealth management range from 0.50% to 1.25% annually based on a tiered schedule. This fee is collected on a quarterly basis and calculated as a percentage of the value of the cash and investments in your account[s] that we manage. This presents a conflict of interest as we are financially incentivized to encourage you to place more assets in your advisory account as you will ultimately pay more in advisory fees.

**Fixed Fees:** Our fixed annual fees for financial planning range from \$5,000 to \$50,000 per year based on a percentage of your net worth and earned income. This fee is collected on a quarterly basis and negotiable based on the complexity of your financial situation and overall relationship with us.

**Other Fees & Costs:** In addition to our advisory fee, you will also be responsible for custody fees, account administrative fees, fees and expenses related to mutual funds and exchange-traded funds and applicable securities transaction fees.

**Additional Information:** **You will pay fees and costs whether you make or lose money on your investments.** Fees and costs will reduce any amount of money you make on your investments over time. Please make sure you

understand what fees and costs you are paying. For more detailed information on our fees, please see Item 5 – Fees and Compensation of our Form ADV Part 2A available via our firm's [Investment Adviser Public Disclosure Page](#).

**Conversation Starters:** *Help me understand how these fees and costs might affect my investments. If I give you \$10,000 to invest, how much will go to fees and costs, and how much will be invested for me?*

**What are your legal obligations to me when acting as my investment adviser?  
How else does your firm make money and what conflicts of interest do you have?**

*When we act as your investment adviser, we have to act in your best interest and not put our interests ahead of yours. At the same time, the way we make money creates some conflicts with your interests. You should understand and ask us about these conflicts because they can affect the investment advice that we provide you. Here is an example to help you understand what this means.*

We will recommend that you open your account with a specific custodian, where we maintain an institutional relationship and receive economic benefits. The receipt of economic benefits presents a conflict of interest and can influence our recommendation of the custodian to you. However, you ultimately decide where to open your accounts. Choosing a different custodian may result in the loss of quality of service and/or ability to obtain favorable prices.

**Additional Information:** For more detailed information, please see Item 10 – Financial Industry Activities and Affiliations, Item 12 – Brokerage Practices and Item 14 – Client Referrals and Other Compensation of our Form ADV Part 2A available via our firm's [Investment Adviser Public Disclosure Page](#).

**Conversation Starters:** *How might your conflicts of interest affect me, and how will you address them?*

**How do your financial professionals make money?**

All financial professionals are compensated based on an agreed-upon annual salary. Some financial professionals also have ownership in Jacobson & Schmitt Advisors, LLC. This ownership provides distributions based on the profitability of the company. These owners have an incentive to increase the asset size in the relationship.

## **Disciplinary History**

**Do you or your financial professionals have legal or disciplinary history?**

No. You can visit [Investor.gov/CRS](http://Investor.gov/CRS) for a free and simple search tool to research our firm and our financial professionals.

**Conversation Starters:** *As a financial professional, do you have any disciplinary history? For what type of conduct?*

## **Additional Information**

You can find additional information about our investment advisory services by viewing our Form ADV Part 2A available via our firm's [Investment Adviser Public Disclosure Page](#) or by visiting our website at <http://www.jandsadvisors.com>. ## Item 4 – Advisory Services

---

### A. Firm Information

Jacobson & Schmitt Advisors, LLC (“JSA” or the “Advisor”) is a registered investment advisor with the U.S. Securities and Exchange Commission (“SEC”). JSA is organized as a Limited Liability Company (“LLC”) under the laws of the State of Wisconsin. The Advisor was established in June 2006 and is owned and operated by Jason N. Schmitt (Principal and Chief Compliance Officer), Richard Vanden Boogard (Principal and Lead Advisor) and Adam Sweet (Principal and Senior Portfolio Manager). This Disclosure Brochure provides information regarding the qualifications, business practices, and the advisory services provided by JSA.

### B. Advisory Services Offered and C. Client Account Management

JSA offers Investment management, Retirement planning, and Financial planning which includes such topics as cash flow analysis, college planning, social security analysis, tax strategy as it relates to your planning and investments, Legacy/Charitable planning and more importantly we help our clients manage their emotions related to finances during difficult times. Our clients are, but are not limited to, individuals, high net worth individuals, trusts, estates, retirement plans and charitable organizations (each referred to as a “Client”).

The Advisor serves as a fiduciary to its Clients, as defined under the applicable laws and regulations. As a fiduciary, the Advisor upholds a duty of loyalty, fairness and good faith towards each Client and seeks to mitigate potential conflicts of interest. JSA's fiduciary commitment is further described in the Advisor's Code of Ethics. For more information regarding the Code of Ethics, please see Item 11 – Code of Ethics, Participation or Interest in Client Transactions and Personal Trading.

Philosophically, JSA believes a financial services firm should have responsibility at its core. Responsibility permeates our culture, from the advice we give our Clients, to our hands-on personal service, to investing in responsible companies that share our mentality.

The Advisor's approach consists of two areas of focus:

1. Responsibility to our Clients – JSA only advises Clients on investments that JSA trusts and believes in — so much that Supervised Persons of JSA often include the investments in their own personal portfolios. JSA firmly believes this is the only way to do business as a financial services firm, and that this commitment is one of the keys that make us different than other portfolio managers. Additionally, JSA believe there's no one-size-fits-all when it comes to financial planning and investing. JSA believes its best work by understanding your “big picture.” That's why JSA spends so much time up front getting to know your unique situation and desires, so JSA can deliver a customized plan that's designed specifically with your goals in mind.
2. Responsibility to the Community – As responsible asset managers, JSA invest in securities of companies that we expect to yield high returns while remaining committed to corporate social responsibility. This means JSA seeks out companies that are part of the solution rather than part of the problem – companies that engage in fair business practices from all standpoints: fair to shareholders, to employees and to the environment. In short, JSA invests in companies that both JSA and our Clients can be proud to own.

### Wealth Management Services

JSA's wealth management services consist of three areas of focus, purposeful planning, conscious investing, and thoughtful advice. Here's a brief summary of our areas of focus:

- Purposeful Planning – JSA understands that no two Clients are the same. That's why the Advisor works closely with each Client to create a customized financial plan that fits the Client's unique circumstances. What's more, Clients can take comfort in knowing that all our financial planning services are exclusively designed to help you achieve your financial goals, not sell you extra products. In this relationship, JSA act as the Client's personal CFO, helping coordinate finances with accountants and estate attorneys, as well as guiding Clients through the many steps of smart investing, such as financial planning preparation, portfolio management and analysis, saving for major life events, and retirement spending.

Phone: (608) 662-7500 \* Fax: (608) 662-7518

To better understand Client's goals and objectives, JSA conducts a full financial planning session, which generally includes these steps:

- Step 1: First, the Advisor will assess the Client's financial and personal assets.
  - Step 2: The Advisor gets to know more about the Client's lifestyle, event milestones, retirement plans, dreams and more.
  - Step 3: The Advisor will help Client's define retirement goals and understand what's achievable.
  - Step 4: The Advisor will implement a strategy that matches the Client's goals, assets, tax situation, trade-offs, and personality.
  - Step 5: The Advisor will consistently monitor household portfolio to ensure it meets the Client's objectives.
  - Step 6: JSA continually remains available if the Client's needs should change.
- Conscious Investing – JSA's investment advice is generally limited to stocks, bonds (including municipal bonds), exchange-traded funds (herein "ETFs"), mutual funds, alternatives, and 529 College Plans. Investing that supports your goals and values. The vast majority of Clients invest in the Advisor's individual security portfolios. These portfolios typically include 20 to 30 stocks of companies and an allocation to bonds for stability. As a rule, JSA invests in companies that have a high potential for returns but also practice corporate social responsibility, so Clients can be proud of the assets that are owned. JSA believes in the investments recommended to Clients and therefore, our Supervised Persons typically own the same investment in their own personal portfolios.

With this commitment to responsible and like-minded investing, Clients gain satisfaction in knowing that investments are supporting companies with a conscience – and that JSA always has your best interests at heart. Nonetheless, JSA understands that this strategy does not necessarily work for every Client. In these cases, the Client may opt to use a low-cost fund portfolio rather than the Advisor's individual security portfolios. The Advisor may retain other types of investments from the Client's legacy portfolio due to fit with the overall portfolio strategy, tax-related reasons, or other reasons as identified between the Advisor and the Client.

Once JSA has locked down the Client's investment strategy, Clients enjoy the following benefits:

- Every quarter, Clients are sent investment performance reports, security values, and our investment commentary.
  - JSA will discuss tax-related items such as capital gains, account structure, and more.
  - JSA is available when adjustments are necessary.
  - JSA helps Clients monitor other accounts, even if they aren't managed by JSA, so Clients can ascertain whether all assets are working toward the Client's goals.
  - Clients have access to their portal page where accounts may be reviewed, quarterly JSA statements are stored, commentary, and a summary of your financial plan.
- Thoughtful Advice – The Advisor gets to know its Clients on a deep level, so that the advice given is always personalized and tailored to the Client's goals and dreams.

For over 20 years, JSA's management team has worked hard to deliver thoughtful financial advice that gives individuals and small entities the same investment advantages that larger investors enjoy. But the biggest difference lies in JSA's values and culture.

JSA Supervised Persons are often asked, "Why should we work with you?" The response is that Clients get so much more than just investment advice. JSA has built an organization around the idea that there is a deep responsibility to Clients. The Advisor thinks like investors, not salespeople, which means JSA won't try to sell you unnecessary products or get more business that doesn't serve the Client's needs. Instead, the Advisor is laser-focused on successful outcomes and, hopefully, a little bit more. It's the "more" that drives JSA.

*Sentimental Holdings* - On a case-by-case basis, JSA may provide Clients with assistance in executing trades in order to aid Clients in self-management of their accounts. JSA is providing this service without a fee. However,

the Client is still liable to pay all fees associated with the Custodian and any transactions in-regards to the trades and account maintenance.

*Retirement Accounts* – When the Advisor provides investment advice to Clients regarding ERISA retirement accounts or individual retirement accounts (“IRAs”), the Advisor is a fiduciary within the meaning of Title I of the Employee Retirement Income Security Act (“ERISA”) and/or the Internal Revenue Code (“IRC”), as applicable, which are laws governing retirement accounts. When deemed to be in the Client’s best interest, the Advisor will provide investment advice to a Client regarding a distribution from an ERISA retirement account or to roll over the assets to an IRA, or recommend a similar transaction including rollovers from one ERISA sponsored Plan to another, one IRA to another IRA, or from one type of account to another account (e.g. commission-based account to fee-based account). Such a recommendation creates a conflict of interest if the Advisor will earn a new (or increase its current) advisory fee as a result of the transaction. No client is under any obligation to roll over a retirement account to an account managed by the Advisor.

#### Financial Planning Services

JSA also offers comprehensive financial planning services on an ongoing basis. As with the “Purposeful Planning” component of the Advisor’s wealth management services, Clients can take comfort in knowing that all of JSA’s financial planning services are exclusively designed to help you achieve your financial goals, not sell you extra products. In this relationship, JSA will act as the Client’s personal CFO, helping coordinate finances with accountants and estate attorneys, as well as guiding Clients through financial planning preparation, asset allocation and analysis, saving for major life events, and retirement spending.

To better understand Client’s goals and objectives, JSA conducts a full financial planning session, which includes:

- Step 1: assessing the Client’s financial and personal assets.
- Step 2: getting to know more about the Client’s lifestyle, event milestones, retirement plans, dreams and more.
- Step 3: helping Client’s define retirement goals and understand what’s achievable.
- Step 4: implementing a strategy that matches the Client’s goals, assets, tax situation, trade-offs, and personality.
- Step 5: monitoring the household portfolio to ensure it meets the Client’s objectives and being available for questions as the Client’s needs change.

#### Retirement Plan Advisory Services

JSA provides investment management services to plan sponsors of 401(k), profit sharing and retirement plans (each the “Plan”), subject to the Employee Retirement Income Security Act of 1974. JSA creates and recommends a range of asset allocation models, each consisting of a diversified mix of asset classes for the Plan. In addition, the Advisor recommends the underlying asset classes for the models and recommends at least one investment security for each underlying asset class. Usually, these securities consist of ETFs and mutual funds. The Advisor does not sponsor, nor is the Advisor affiliated with, any of the underlying investments in the Plan.

JSA will provide the Plan (or an authorized delegate thereof) with:

- a) A statement of investment policy according to which JSA will provide investment management services.
- b) JSA will perform the following investment management services, consistent with the JSA Investment Policy Statement (“IPS”), with respect to the Plan assets:
  - i. JSA will review the investment options available through the Plan and will notify the Plan’s record-keeper as to Firm’s instructions to add, remove, and/or replace specific “core” investment options to be offered to the Plan’s participants that meet the criteria set forth in the Firm’s IPS.
  - ii. JSA will monitor the core investment options and, on a regular basis, provide instructions to the Plan’s record-keeper to remove and/or replace investments that no longer meet the Firm’s IPS criteria. JSA will retain final decision-making authority with respect to removing and/or replacing investments in the core lineup and, except as may be described in this Agreement, the Plan will not have the responsibility to communicate instructions to any third-party, including the Plan’s record-keeper, custodian and/or third-party administrator.

- c) If the due diligence methodology described in the Firm's IPS changes, such changes shall be stated in the Annual Monitoring Report. Upon written request, the Plan may obtain a copy of the most recent IPS methodology used by JSA.

JSA provides 3(38) discretionary investment advisory services on behalf of the Plan and Plan Sponsor. The Advisor shall have the discretion to select the investments for the Plan and/or make investment decisions on behalf of Plan Participants.

#### **D. Wrap Fee Programs**

JSA does not manage or place Client assets into a wrap fee program. Wealth management services are provided directly by JSA.

#### **E. Assets Under Management**

As of December 31, 2024, the Advisor manages \$589,962,622 in Client assets, all of which are managed on a discretionary basis. Clients may request more current information at any time by contacting the Advisor.

### **Item 5 – Fees and Compensation**

---

The following paragraphs detail the fee structure and compensation methodology for services provided by the Advisor. Each Client shall enter into one or more written agreements with the Advisor that detail the responsibilities of JSA and the Client.

#### **A. Fees for Advisory Services**

##### Wealth Management Services

Wealth management fees are paid quarterly, in advance of each calendar quarter, pursuant to the terms of the agreement. Wealth management fees are based on the market value of assets under management at the end of the prior calendar quarter. Wealth management fees are based on the following schedule below, subject to the minimum annual fee as described in Item 7 – Types of Clients:

Assets Under Management	Annual Rate
Up to \$500,000	1.25%
\$500,001 to \$1,000,000	1.00%
\$1,000,001 to \$5,000,000	0.75%
Over \$5,000,000	0.50%

The wealth management fee in the first quarter of service is prorated from the inception date of the account[s] to the end of the first quarter. Fees may be negotiable at the sole discretion of the Advisor. The Client's fees will take into consideration the aggregate assets under management with the Advisor. All securities held in accounts managed by JSA will be independently valued by the Custodian. The Advisor will conduct periodic reviews of the Custodian's valuations to ensure accurate billing.

The Advisor's fee is exclusive of, and in addition to any applicable securities transaction and custody fees, and other related costs and expenses described in Item 5.C below, which may be incurred by the Client. However, the Advisor shall not receive any portion of these commissions, fees, and costs.

##### Financial Planning Services

JSA offers financial planning and consulting services for an annual financial planning fee ranging from \$5,000 up to \$50,000. The fee is typically calculated by the Advisor as 0.50% of the Client's Net Worth excluding the primary residence PLUS 1.00% of their earned income. Once calculated, the fee is adjusted up or down for the complexity of the Client's financial situation and the overall relationship with the Advisor. Fees may be negotiable at the sole discretion of the Advisor.

8333 Greenway Blvd, Ste 330 Middleton WI 53562  
Phone: (608) 662-7500 \* Fax: (608) 662-7518

#### Retirement Plan Advisory Services

Fees are calculated as a percentage of assets under management ranging from 0.25% to 1.10% per year, based on the market value of assets in the plan on the last day of the prior calendar quarter. Fees are negotiable based on the size and complexity of the services provided to the Plan.

### **B. Fee Billing**

#### Wealth Management Services

Wealth management fees will be calculated by the Advisor or its delegate and deducted from the Client's account[s] at the Custodian. The Advisor or its delegate shall send an invoice to the Custodian indicating the amount of the fees to be deducted from the Client's account[s] at the respective quarter-end date. The amount due is calculated by applying the quarterly rate (annual rate divided by 4) to the total assets under management with JSA at the end of the prior quarter. Clients will be provided with a statement, at least quarterly, from the Custodian reflecting deduction of the investment advisory fee. It is the responsibility of the Client to verify the accuracy of these fees as listed on the Custodian's brokerage statement as the Custodian does not assume this responsibility. Clients provide written authorization permitting advisory fees to be deducted by JSA directly from their accounts held by the Custodian as part of the wealth management agreement and separate account forms provided by the Custodian.

#### Financial Planning Services

Financial planning fees are billed quarterly in advance. The quarterly fee is calculated by dividing the annual fee by four (4).

#### Retirement Plan Advisory Services

Retirement plan advisory fees may be directly invoiced to the Plan Sponsor or deducted from the assets of the Plan, depending on the terms of the retirement plan advisory agreement.

### **C. Other Fees and Expenses**

Clients may incur certain fees or charges imposed by third parties, other than JSA, in connection with investments made on behalf of the Client's account[s]. The Client is responsible for all custody and securities execution fees charged by the Custodian. Certain of the Advisor's recommended Custodians do not charge securities transaction fees for ETF and equity trades in Client accounts, but typically charges for mutual funds and other types of investments. The wealth management fee charged by JSA is separate and distinct from these custody and execution fees. Certain fees and expenses incurred by a Client as a result of transitioning to the firm, may be rebated at the Advisor's sole discretion.

In addition, all fees paid to JSA for investment advisory services are separate and distinct from the expenses charged by mutual funds and ETFs to their shareholders, if applicable. These fees and expenses are described in each fund's prospectus. These fees and expenses will generally be used to pay management fees for the funds, other fund expenses, account administration (e.g., custody, brokerage and account reporting), and a possible distribution fee. A Client may be able to invest in these products directly, without the services of JSA, but would not receive the services provided by JSA which are designed, among other things, to assist the Client in determining which products or services are most appropriate for each Client's financial situation and objectives. Accordingly, the Client should review both the fees charged by the fund[s] and the fees charged by JSA to fully understand the total fees to be paid. Please refer to Item 12 – Brokerage Practices for additional information.

### **D. Advance Payment of Fees and Termination**

#### Wealth Management, Financial Planning and Retirement Plan Advisory Services

JSA is compensated for its advisory services in advance of the quarter in which services are rendered. Either party may terminate the respective advisory agreement with JSA, at any time, by providing advance written notice to the other party. The Client may also terminate the respective advisory agreement within five (5) business days of signing the Advisor's agreement at no cost to the Client. After the five-day period, the Client will incur charges for bona fide advisory services rendered to the point of termination and such fees will be due and payable by the Client. Upon termination, the Advisor will refund any unearned, prepaid advisory fees from the effective date of

termination to the end of the quarter. The Client's respective advisory agreement with the Advisor is non-transferable without the Client's prior consent.

#### **E. Compensation for Sales of Securities**

JSA does not buy or sell securities and does not receive any compensation for securities transactions in any Client account, other than the investment advisory fees noted above.

### **Item 6 – Performance-Based Fees and Side-By-Side Management**

---

JSA does not charge performance-based fees for its investment advisory services. The fees charged by JSA are as described in Item 5 above and are not based upon the capital appreciation of the funds or securities held by any Client.

JSA does not manage any proprietary investment funds or limited partnerships (for example, a mutual fund or a hedge fund) and has no financial incentive to recommend any particular investment options to its Clients.

### **Item 7 – Types of Clients**

---

JSA provides investment advisory services to individuals, high net worth individuals, trusts, estates, retirement plans and charitable organizations. JSA generally requires a minimum relationship size of \$25,000 and a minimum annual fee of \$1,000. The Advisor may, at its sole discretion, accept relationships of a lower value or charge a lower annual fee.

### **Item 8 – Methods of Analysis, Investment Strategies and Risk of Loss**

---

#### **A. Methods of Analysis**

JSA primarily manages a global, all-cap equity model portfolio coupled with bonds. The equity holdings (stocks) are diversified across industries, market capitalizations, and countries. To aid in determining the asset allocation process (mix between stocks and bonds) in a Client's portfolio we typically employ financial simulation software, emphasizing a long-term approach to allocation. With a long-term allocation in mind, no attempts are made to avoid short-term market fluctuations.

Our security selection process uses a fundamental analysis approach and generally seeks to buy what we deem to be high-quality franchises at prices we believe can deliver strong return potential. In some cases we utilize funds (ETF's, mutual funds, or alternatives) to invest in a specific asset class, group, index, style, or country. These types of investments are also based on fundamental analysis, but weighed against any additional costs that may be involved (such as, but not limited to, a fund's "expense ratio").

To assist in our investment process, we gather data from company press releases, annual reports, proxies, presentations, and subscriptions to research, financial software, publications, and more. We also frequently conduct interviews with company representatives or speak with competitors, suppliers, etc. The information used in this process can change rapidly and varies greatly depending on each situation.

Following the data collection process our investment selection may include the following steps:

- Investigate a company's prospects based on its potential competitive advantages
- Understand whether the company's industry is supportive of its potential
- Spend significant amounts of effort trying to pre-determine what could go wrong

- Value the business and understand expectations for the company

As noted above, JSA generally employs a long-term investment strategy for its Clients, consistent with their financial goals. JSA will typically hold all or a portion of a security for more than a year but may hold for shorter periods for the purpose of rebalancing a portfolio or meeting the cash needs of Clients. At times, JSA may also

buy and sell positions that are more short-term in nature, depending on the goals of the Client and/or the fundamentals of the security, sector or asset class.

## **B. Risk of Loss**

Investing in securities involves certain investment risks. Securities may fluctuate in value or lose value. Clients should be prepared to bear the potential risk of loss. JSA will assist Clients in determining an appropriate strategy based on their tolerance for risk and other factors noted above. However, there is no guarantee that a Client will meet their investment goals.

Fundamental analysis utilizes economic and business indicators as investment selection criteria. These criteria are generally ratios and trends that may indicate the overall strength and financial viability of the entity being analyzed. Assets are deemed suitable if they meet certain criteria to indicate that they are a strong investment with a value discounted by the market. While this type of analysis helps the Advisor in evaluating a potential investment, it does not guarantee that the investment will increase in value.

Assets meeting the investment criteria utilized in the fundamental analysis may lose value and may have negative investment performance. The Advisor monitors these economic indicators to determine if adjustments to strategic allocations are appropriate. More details on the Advisor's review process are included below in Item 13 – Review of Accounts.

Each Client engagement will entail a review of the Client's investment goals, financial situation, time horizon, tolerance for risk and other factors to develop an appropriate strategy for managing a Client's account. Client participation in this process, including full and accurate disclosure of requested information, is essential for the analysis of a Client's account[s]. The Advisor shall rely on the financial and other information provided by the Client or their designees without the duty or obligation to validate the accuracy and completeness of the provided information. It is the responsibility of the Client to inform the Advisor of any changes in financial condition, goals or other factors that may affect this analysis.

The risks associated with a particular strategy are provided to each Client in advance of investing Client account[s]. The Advisor will work with each Client to determine their tolerance for risk as part of the portfolio construction process. Following are some of the risks associated with the Advisor's investment approach:

### Market Risks

The value of a Client's holdings may fluctuate in response to events specific to companies or markets, as well as economic, political, or social events in the U.S. and abroad. This risk is linked to the performance of the overall financial markets.

### ETF Risks

The performance of ETFs is subject to market risk, including the possible loss of principal. The price of the ETFs will fluctuate with the price of the underlying securities that make up the funds. In addition, ETFs have a trading risk based on the loss of cost efficiency if the ETFs are traded actively and a liquidity risk if the ETFs has a large bid-ask spread and low trading volume. The price of an ETF fluctuates based upon the market movements and may dissociate from the index being tracked by the ETF or the price of the underlying investments. An ETF purchased or sold at one point in the day may have a different price than the same ETF purchased or sold a short time later.

### Mutual Fund Risks

The performance of mutual funds is subject to market risk, including the possible loss of principal. The price of the mutual funds will fluctuate with the value of the underlying securities that make up the funds. The price of a mutual fund is typically set daily therefore a mutual fund purchased at one point in the day will typically have the same price as a mutual fund purchased later that same day.

### Alternative Investments (Limited Partnerships)

The performance of alternative investments (limited partnerships) can be volatile and may have limited liquidity. An investor could lose all or a portion of their investment. Such investments often have concentrated positions

and investments that may carry higher risks. Client should only have a portion of their assets in these investments.

**Past performance is not a guarantee of future returns. Investing in securities and other investments involve a risk of loss that each Client should understand and be willing to bear. Clients are reminded to discuss these risks with the Advisor. For more information on our investment advisory services, please contact us at (608) 662-7500.**

## **Item 9 – Disciplinary Information**

---

**There are no legal, regulatory or disciplinary events involving JSA or any of its management persons.**

JSA values the trust you place in the Advisor. The Advisor encourages Clients to perform the requisite due diligence on any advisor or service provider that the Client engages. The backgrounds of the Advisor and its Advisory Persons are available on the Investment Adviser Public Disclosure website at [www.adviserinfo.sec.gov](http://www.adviserinfo.sec.gov) by searching with the Advisor's firm name or CRD# 140431.

## **Item 10 – Other Financial Industry Activities and Affiliations**

---

JSA does not maintain any affiliations with other firms, other than contracted service providers to assist with the servicing of its Client's accounts.

## **Item 11 – Code of Ethics, Participation or Interest in Client Transactions and Personal Trading**

---

### **A. Code of Ethics**

JSA has implemented a Code of Ethics (the "Code") that defines the Advisor's fiduciary commitment to each Client. This Code applies to all persons associated with JSA ("Supervised Persons"). The Code was developed to provide general ethical guidelines and specific instructions regarding the Advisor's duties to each Client. JSA and its Supervised Persons owe a duty of loyalty, fairness and good faith towards each Client. It is the obligation of JSA associates to adhere not only to the specific provisions of the Code, but also to the general principles that guide the Code. The Code covers a range of topics that address employee ethics and conflicts of interest. To request a copy of the Code, please contact the Advisor at (608) 662-7500.

### **B. Personal Trading with Material Interest**

JSA allows Supervised Persons to purchase or sell the same securities that may be recommended to and purchased on behalf of Clients. JSA does not act as principal in any transactions. In addition, the Advisor does not act as the general partner of a fund or advise an investment company. JSA does not have a material interest in any securities traded in Client accounts.

### **C. Personal Trading in Same Securities as Clients**

The Principals of JSA usually purchase and sell the same equity securities they recommend to their Clients because they believe this helps align their self-interest with their Clients. However, owning the same securities that JSA recommends (purchase or sell) to Clients presents a conflict of interest that, as fiduciaries, JSA must disclose to Clients and mitigate through policies and procedures. When trading for personal accounts, Supervised Persons of JSA may have a conflict of interest if trading in the same securities. The fiduciary duty to act in the best interest of its Clients can potentially be violated if personal trades are made with more advantageous terms than Client trades, or by trading based on material non-public information. This risk is mitigated by JSA requiring reporting of personal securities trades by its Supervised Persons for review by the employee's supervisor or the Chief Compliance Officer ("CCO"). JSA has also adopted written policies and procedures to detect the misuse of material, non-public information.

### **D. Personal Trading at Same Time as Client**

While JSA allows Supervised Persons to purchase or sell the same securities that may be recommended to and purchased on behalf of Clients, such trades are typically traded after Client trades in the same security are

allocated. **At no time will JSA, or any Supervised Person of JSA, transact in any security to the detriment of any Client.**

## **Item 12 – Brokerage Practices**

---

### **A. Recommendation of Custodian[s]**

JSA does not have discretionary authority to select the broker-dealer/custodian for custody and execution services. The Client will engage the broker-dealer/custodian (herein the "Custodian") to safeguard Client assets and authorize JSA to direct trades to the Custodian as agreed upon in the wealth management agreement. Further, JSA does not have the discretionary authority to negotiate commissions on behalf of Clients on a trade-by-trade basis. The Client may also grant the Advisor limited authority to place trades away from the Custodian. Please see Prime Brokerage Authorization below.

Where JSA does not exercise discretion over the selection of the Custodian, it may recommend the Custodian to Clients for custody and execution services. Clients are not obligated to use the recommended Custodian and will not incur any extra fee or cost from the Advisor associated with using a custodian not recommended by JSA. However, the Advisor may be limited in the services it can provide if the recommended Custodian is not utilized. Where JSA does not exercise discretion over the selection of the Custodian, it may recommend the Custodian to Clients for execution and/or custody services. JSA may recommend the Custodian based on criteria such as, but not limited to, reasonableness of commissions charged to the Client, services made available to the Client, its reputation, and/or the location of the Custodian's offices.

JSA will generally recommend that Clients establish their account[s] at Charles Schwab & Co., Inc. ("Schwab") which is a FINRA-registered broker-dealer and member SIPC. Schwab will serve as the Client's "qualified custodian". JSA maintains an institutional relationship with Schwab, whereby the Advisor receives economic benefits from Schwab.

### Retirement Plan Advisory Services

JSA generally recommends Alerus Financial N.A. ("Alerus") to provide custody and brokerage services for Client ERISA Plans. Thus, JSA will not evaluate the costs and services of other broker-dealers/custodians. Alerus was selected for its financial strength, low transaction charges, and online financial tools available to our Clients. Transaction processing, custody, and reporting services will normally be handled by Alerus, with all transaction and custody fees being passed directly through to the Client. JSA believes that Alerus is competitive in obtaining best execution and prices when processing transaction orders, but there can be no assurance that Alerus will process orders in a manner, which in best execution is every instance. Best execution is tested quarterly by JSA to ensure Alerus is providing Clients with the most favorable overall terms reasonably available at that time.

Following are additional details regarding the brokerage practices of the Advisor:

**1. Soft Dollars** - Soft dollars are revenue programs offered by broker-dealers/custodians whereby an advisor enters into an agreement to place security trades with a broker-dealer/custodian in exchange for research and other services. JSA does not participate in soft dollar programs sponsored or offered by any broker-dealer/custodian. However, JSA does receive certain economic benefit from Schwab as described in Item 14 below.

**2. Brokerage Referrals** - JSA does not receive any compensation from any third-party in connection with the recommendation for establishing an account.

**3. Directed Brokerage** - Clients are typically serviced on a "directed brokerage basis", where JSA will place trades within the established account[s] at the Custodian designated by the Client. In such instances, all Client accounts are traded within their respective account[s] at the Custodian. The Advisor will not engage in any principal transactions (i.e., trade of any security from or to the Advisor's own account). JSA will not be obligated to select competitive bids on securities transactions and does not have an obligation to seek the lowest available transaction costs. These costs are determined by the Custodian.

**4. Prime Brokerage** - The Advisor may execute securities transactions either through Executing Brokers in connection with a prime brokerage relationship established with the Custodian. Should a Client's account[s] make use of prime brokerage, the Client is required to execute additional agreement[s] with the Custodian authorizing the Advisor to trade-away from and settle to the Client's established account[s] at the Custodian. The Custodian will charge an additional trade-away fee for these transactions in addition to the normal securities transaction costs.

## **B. Aggregating and Allocating Trades**

The primary objective in placing orders for the purchase and sale of securities for Client accounts is to obtain the most favorable net results taking into account such factors as 1) price, 2) size of the order, 3) difficulty of execution, 4) confidentiality and 5) skill required of the Custodian. JSA will execute its transactions through the Custodian as authorized by the Client. JSA may aggregate orders in a block trade or trades when securities are purchased or sold through the Custodian for multiple (discretionary) accounts. If a block trade cannot be executed in full at the same price or time, the securities actually purchased or sold by the close of each business day must be allocated in a manner that is consistent with the initial pre-allocation or other written statement. This must be done in a way that does not consistently advantage or disadvantage particular Client accounts.

## **Item 13 – Review of Accounts**

---

### **A. Frequency of Reviews**

Securities are monitored on a regular and continuous basis by Mr. Schmitt, Chief Compliance Officer, Mr. Vanden Boogard, Chief Investment Officer, and Adam Sweet, Senior Portfolio Manager of JSA. Formal reviews are generally conducted at least annually or more frequently depending on the needs of the Client.

### **B. Causes for Reviews**

In addition to the investment monitoring noted in Item 13.A. above, each Client account shall be reviewed at least annually. Reviews may be conducted more frequently at the Client's request. Accounts may be reviewed as a result of major changes in economic conditions, known changes in the Client's financial situation, and/or large deposits or withdrawals in the Client's account[s]. The Client is encouraged to notify JSA if changes occur in the Client's personal financial situation that might adversely affect the Client's investment plan. Additional reviews may be triggered by material market, economic or political events.

### **C. Review Reports**

The Client will receive brokerage statements no less than quarterly from the Custodian. These brokerage statements are sent directly from the Custodian to the Client. The Client may also establish electronic access to the Custodian's website so that the Client may view these reports and their account activity. Client brokerage statements will include all positions, transactions and fees relating to the Client's account[s]. The Advisor may also provide Clients with periodic reports regarding their holdings, allocations, and performance.

## **Item 14 – Client Referrals and Other Compensation**

---

### **A. Compensation Received by JSA for Making Referrals**

JSA is a fee-based advisory firm, that is compensated solely by its Clients and not from any investment product. JSA does not receive commissions or other compensation from product sponsors, broker-dealers or any unrelated third party. JSA may refer Clients to various unaffiliated, non-advisory professionals (e.g. attorneys, accountants, estate planners) to provide certain financial services necessary to meet the goals of its Clients. Likewise, JSA may receive non-compensated referrals of new Clients from various third-parties.

### Participation in Institutional Advisor Platform

**Schwab** – JSA has established an institutional relationship with Schwab through its "Schwab Advisor Services" unit, a division of Schwab dedicated to serving independent advisory firms like JSA. As a registered investment advisor participating on the Schwab Advisor Services platform, JSA receives access to software and related support without cost because the Advisor renders investment management services to Clients that maintain assets at Schwab.

Services provided by Schwab Advisor Services benefit the Advisor and many, but not all services provided by Schwab will benefit Clients. In fulfilling its duties to its Clients, the Advisor endeavors at all times to put the interests of its Clients first. Clients should be aware, however, that the receipt of economic benefits from a custodian creates a conflict of interest since these benefits can influence the Advisor's recommendation of Schwab over a custodian that does not furnish similar software, systems support, or services.

*Services that Benefit the Client* – Schwab's institutional brokerage services include access to a broad range of investment products, execution of securities transactions, and custody of Client's funds and securities. Through Schwab, the Advisor may be able to access certain investments and asset classes that the Client would not be able to obtain directly or through other sources. Further, the Advisor may be able to invest in certain mutual funds and other investments without having to adhere to investment minimums that might be required if the Client were to directly access the investments.

*Services that May Indirectly Benefit the Client* – Schwab provides participating advisors with access to technology, research, discounts and other services. In addition, the Advisor receives duplicate statements for Client accounts, the ability to deduct advisory fees, trading tools, and back-office support services as part of its relationship with Schwab. These services are intended to assist the Advisor in effectively managing accounts for its Clients, but may not directly benefit all Clients.

*Services that May Only Benefit the Advisor* – Schwab also offers other services and financial support to JSA that may not benefit the Client, including: educational conferences and events, financial start-up support, consulting services and discounts for various service providers. Additionally, Schwab has agreed to pay for certain services rendered by third parties for which the Advisor would otherwise have to pay. This amount is covered once the value of Client assets in accounts at Schwab reaches a certain size. Clients do not pay more for assets maintained at Schwab as a result of these arrangements. However, the Advisor does benefit from the arrangement because the cost of these services would otherwise be borne directly by the Advisor. Access to these services and financial support creates a financial incentive for the Advisor to recommend Schwab, which results in a conflict of interest. JSA believes, however, that the selection of Schwab as Custodian is in the best interests of its Clients. Clients should consider these conflicts of interest when selecting a custodian.

*Alerus* – JSA has also established an institutional relationship with Alerus Financial N.A. ("Alerus") to assist the Advisor in managing Client account[s]. Access to the Alerus platform is provided at no charge to the Advisor. Alerus was selected for its financial strength, low transaction charges, and online financial tools available to our Clients. Transaction processing, custodial, and reporting services will normally be handled by Alerus, with all transaction fees/custodian fees being passed directly through to the Client. JSA believes that Alerus is competitive in obtaining best execution and prices when processing transaction orders, but there can be no assurance that Alerus will process orders in a manner which results in best execution in every instance. Best execution is tested quarterly by JSA to ensure Alerus is providing our clients with the most favorable overall terms reasonably available at the time.

## **B. Compensation for Client Referrals**

Certain Clients may be referred to the Advisor by either an affiliated or unaffiliated party (herein "Promoter") and receive, directly or indirectly, compensation for the Client referral. In such instances, the Advisor will compensate the Promoter a fee in accordance with Rule 206(4)-1 of the Advisers Act and any corresponding state securities requirements. Any such compensation shall be paid solely from the investment advisory fees earned by the Advisor, and shall not result in any additional charge to the Client.

## **Item 15 – Custody**

---

JSA does not accept or maintain custody of Client accounts, except for the limited circumstances outlined below:

*Deduction of Advisory Fees* - To ensure compliance with regulatory requirements associated with the deduction of advisory fees, all Clients for whom JSA exercises discretionary authority must hold their assets with a "qualified custodian." Clients are responsible for engaging a "qualified custodian" to safeguard their funds and securities and must instruct JSA to utilize that Custodian for securities transactions on their behalf. Clients are encouraged to review statements provided by the Custodian and compare to any reports provided by JSA to ensure accuracy, as the Custodian does not perform this review.

*Money Movement Authorization* - For instances where Clients authorize JSA to move funds between their accounts, JSA and the Custodian have implemented safeguards to ensure that all money movement activities are conducted strictly in accordance with the Client's documented instructions.

## **Item 16 – Investment Discretion**

---

JSA generally has discretion over the selection and amount of securities to be bought or sold in Client accounts without obtaining prior consent or approval from the Client. However, these purchases or sales may be subject to specified investment objectives, guidelines, or limitations previously set forth by the Client and agreed to by JSA. Discretionary authority will only be authorized upon full disclosure to the Client. The granting of such authority will be evidenced by the Client's execution of a wealth management agreement containing all applicable limitations to such authority. All discretionary trades made by JSA will be in accordance with each Client's investment objectives and goals.

## **Item 17 – Voting Client Securities**

---

JSA does not accept proxy-voting responsibility for any Client. Clients will receive proxy statements directly from the Custodian. The Advisor will assist in answering questions relating to proxies, however, the Client retains the sole responsibility for proxy decisions and voting.

## **Item 18 – Financial Information**

---

Neither JSA, nor its management, have any adverse financial situations that would reasonably impair the ability of JSA to meet all obligations to its Clients. Neither JSA, nor any of its Advisory Persons have been subject to a bankruptcy or financial compromise. JSA is not required to deliver a balance sheet along with this Disclosure Brochure as the Advisor does not collect fees of \$1,200 or more for services to be performed six months or more in advance.

## Privacy Policy

Effective: March 7, 2025

### Our Commitment to You

Jacobson & Schmitt Advisors, LLC ("JSA" or the "Advisor") is committed to safeguarding the use of personal information of our Client's (also referred to as "you" and "your") that we obtain as your Investment Advisor, as described here in our Privacy Policy ("Policy").

Our relationship with you is our most important asset. We understand that you have entrusted us with your private information, and we do everything that we can to maintain that trust. JSA (also referred to as "we", "our" and "us") protects the security and confidentiality of the personal information we have and implements controls to ensure that such information is used for proper business purposes in connection with the management or servicing of our relationship with you.

JSA does not sell your non-public personal information to anyone. Nor do we provide such information to others except for discrete and reasonable business purposes in connection with the servicing and management of our relationship with you, as discussed below.

Details of our approach to privacy and how your personal non-public information is collected and used are set forth in this Policy.

### Why you need to know?

Registered Investment Advisors ("RIAs") must share some of your personal information in the course of servicing your account. Federal and State laws give you the right to limit some of this sharing and require RIAs to disclose how we collect, share, and protect your personal information.

### What information do we collect from you?

### How do we protect your information?

To safeguard your personal information from unauthorized access and use we maintain physical, procedural and electronic security measures. These include such safeguards as secure passwords, encrypted file storage and a secure office environment. Our technology vendors provide security and access control over personal information and have policies over the transmission of data. Our associates are trained on their responsibilities to protect Client's personal information.

We require third parties that assist in providing our services to you to protect the personal information they receive from us.

### How do we share your information?

An RIA shares Client personal information to effectively implement its services. In the section below, we list some reasons we may share your personal information.

Basis For Sharing	Do we share?	Can you limit?
<b>Servicing our Clients</b> We may share non-public personal information with non-affiliated third parties (such as administrators, brokers, custodians, regulators, credit agencies, other financial institutions) as necessary for us to provide agreed upon services to you, consistent with applicable law, including but not limited to: processing transactions; general account maintenance; responding to regulators or legal investigations; and credit reporting.	Yes	No
<b>Marketing Purposes</b> JSA does not disclose, and does not intend to disclose, personal information with non-affiliated third parties to offer you services. Certain laws may give us the right to share your personal information with financial institutions where you are a customer and where JSA or the Client has a formal agreement with the financial institution. <b>We will only share information for purposes of servicing your accounts, not for marketing purposes.</b>	No	Not Shared
<b>Authorized Users</b> Your non-public personal information may be disclosed to you and persons that we believe to be your authorized agent[s] or representative[s].	Yes	Yes
<b>Information About Former Clients</b> JSA does not disclose and does not intend to disclose, non-public personal information to non-affiliated third parties with respect to persons who are no longer our Clients.	No	Not Shared

### Changes to our Privacy Policy

We will send you a copy of this Policy annually for as long as you maintain an ongoing relationship with us.

Periodically we may revise this Policy and will provide you with a revised policy if the changes materially alter the previous Privacy Policy. We will not, however, revise our Privacy Policy to permit the sharing of non-public personal information other than as described in this notice unless we first notify you and provide you with an opportunity to prevent the information sharing.

### Any Questions?

You may ask questions or voice any concerns, as well as obtain a copy of our current Privacy Policy by contacting us at (608) 662-7500.

## Item 2 – Educational Background and Business Experience

Jason N. Schmitt, CFP®, CPWA® born in 1971, is dedicated to advising Clients of JSA in his role as the Lead Advisor, Managing Partner, Chief Financial Officer and Chief Compliance Officer. Mr. Schmitt earned a Bachelor of Science from North Dakota State University in 1994. Mr. Schmitt has been a Certified Financial Planner ("CFP®") since November 2009 and a Certified Private Wealth Advisor® ("CPWA®") since May 2016. Additional information regarding Mr. Schmitt's employment history is included below.

### Employment History:

Lead Advisor, Managing Partner, Chief Financial Officer and Chief Compliance Officer, Jacobson & Schmitt Advisors, LLC	05/2006 to Present
Director of Business Development, Buttonwood Partners, Inc.	03/2004 to 04/2006

### Certified Financial Planner ("CFP®")

The CERTIFIED FINANCIAL PLANNER™, CFP® and federally registered CFP® marks (collectively, the "CFP® marks") are professional certification marks granted in the United States by Certified Financial Planner Board of Standards, Inc. ("CFP® Board").

The CFP® certification is a voluntary certification; no federal or state law or regulation requires financial planners to hold CFP® certification. It is recognized in the United States and a number of other countries for its (1) high standard of professional education; (2) stringent code of conduct and standards of practice; and (3) ethical requirements that govern professional engagements with clients. Currently, more than 71,000 individuals have obtained CFP® certification in the United States.

To attain the right to use the CFP® marks, an individual must satisfactorily fulfill the following requirements:

- **Education** – Complete an advanced college-level course of study addressing the financial planning subject areas that CFP® Board's studies have determined as necessary for the competent and professional delivery of financial planning services and attain a bachelor's degree from a regionally accredited United States college or university (or its equivalent from a foreign university). CFP® Board's financial planning subject areas include insurance planning and risk management, employee benefits planning, investment planning, income tax planning, retirement planning, and estate planning.
- **Examination** – Pass the comprehensive CFP® Certification Examination. The examination, administered in 10 hours over a two-day period, includes case studies and client scenarios designed to test one's ability to correctly diagnose financial planning issues and apply one's knowledge of financial planning to real world circumstances.
- **Experience** – Complete at least three years of full-time financial planning-related experience (or the equivalent, measured as 2,000 hours per year); and
- **Ethics** – Agree to be bound by CFP® Board's *Standards of Professional Conduct*, a set of documents outlining the ethical and practice standards for CFP® professionals.

Individuals who become certified must complete the following ongoing education and ethics requirements in order to maintain the right to continue to use the CFP® marks:

- **Continuing Education** – Complete 30 hours of continuing education hours every two years, including two hours on the *Code of Ethics* and other parts of the *Standards of Professional Conduct*, to maintain competence and keep up with developments in the financial planning field; and
- **Ethics** – Renew an agreement to be bound by the *Standards of Professional Conduct*. The *Standards* prominently require that CFP® professionals provide financial planning services at a fiduciary standard of care. This means CFP® professionals must provide financial planning services in the best interests of their clients.

CFP® professionals who fail to comply with the above standards and requirements may be subject to CFP® Board's enforcement process, which could result in suspension or permanent revocation of their CFP® certification.

#### Certified Private Wealth Advisor® ("CPWA®")

CPWA® designation signifies that an individual has met initial and on-going experience, ethical, education, and examination requirements for the professional designation, which is centered on private wealth management topics and strategies for high-net-worth clients. Prerequisites for the CPWA® designation are: a Bachelor's degree from an accredited college or university or one of the following designations or licenses: CIMA®, CIMC®, CFA®, CFP®, ChFC®, or CPA license; have an acceptable regulatory history as evidenced by FINRA Form U-4 or other regulatory requirements and five years of experience in financial services or delivering services to high-net-worth clients. CPWA designees have completed a rigorous educational process that includes self-study requirements, an in-class education component, and successful completion of a comprehensive examination. CPWA® designees are required to adhere to IMCA's *Code of Professional Responsibility and Rules and Guidelines for Use of the Marks*. CPWA® designees must report 40 hours of continuing education credits, including two ethics hours, every two years to maintain the certification. The designation is administered through Investment Management Consultants Association (IMCA).

### **Item 3 – Disciplinary Information**

---

***There are no legal, civil or disciplinary events to disclose regarding Mr. Schmitt.*** Mr. Schmitt has never been involved in any regulatory, civil or criminal action. There have been no Client complaints, lawsuits, arbitration claims or administrative proceedings against Mr. Schmitt.

Securities laws require an advisor to disclose any instances where the advisor or its advisory persons have been found liable in a legal, regulatory, civil or arbitration matter that alleges violation of securities and other statutes; fraud; false statements or omissions; theft, embezzlement or wrongful taking of property; bribery, forgery, counterfeiting, or extortion; and/or dishonest, unfair or unethical practices. ***As previously noted, there are no legal, civil or disciplinary events to disclose regarding Mr. Schmitt.***

However, the Advisor does encourage you to independently view the background of Mr. Schmitt on the Investment Adviser Public Disclosure website at [www.adviserinfo.sec.gov](http://www.adviserinfo.sec.gov) by searching with his full name or his Individual CRD# 4777151.

### **Item 4 – Other Business Activities**

---

#### International Wildlife Disease Association

Mr. Schmitt volunteers and holds a non-voting position on the Budget Committee of the International Wildlife Disease Association. Mr. Schmitt spends less than 1% of his time in this role. The International Wildlife Disease Association is a client of JSA.

### **Item 5 – Additional Compensation**

---

Mr. Schmitt is dedicated to the investment advisory activities of JSA's Clients. Mr. Schmitt does not receive any additional forms of compensation.

### **Item 6 – Supervision**

---

Mr. Schmitt serves as the Lead Advisor, Managing Partner, Chief Financial Officer and Chief Compliance Officer of JSA. Mr. Schmitt shares supervisory responsibilities with the other Principals of the Advisor. Mr. Schmitt can be reached at (608) 662-7500.

JSA has implemented a Code of Ethics, an internal compliance document that guides each Supervised Person in meeting their fiduciary obligations to Clients of JSA. Further, JSA is subject to regulatory oversight by various agencies. These agencies require registration by JSA and its Supervised Persons. As a registered entity, JSA is subject to examinations by regulators, which may be announced or unannounced. JSA is required to periodically update the information provided to these agencies and to provide various reports regarding the business activities and assets of the Advisor.

## Item 2 – Educational Background and Business Experience

---

Richard J. Vanden Boogard, CFA, born in 1977, is dedicated to advising Clients of JSA in his role as Lead Advisor, Partner, and Chief Investment Officer. Mr. Vanden Boogard earned a B.S. from Michigan Technological University in 2000. Mr. Vanden Boogard then earned his MBA from the University of Wisconsin-Madison in 2007. Additional information regarding Mr. Vanden Boogard's employment history is included below.

### **Employment History:**

Lead Advisor, Partner, and Chief Investment Officer, Jacobson & Schmitt Advisors, LLC	09/2012 to Present
Equity Research Analyst, Victory Capital Management	06/2007 to 09/2012

### **Chartered Financial Analyst® (“CFA®”)**

The Chartered Financial Analyst (CFA) charter is a globally respected, graduate-level investment credential established in 1962 and awarded by CFA Institute — the largest global association of investment professionals.

There are currently more than 138,000 CFA charterholders working in 134 countries. To earn the CFA charter, candidates must: 1) pass three sequential, six-hour examinations; 2) have at least four years of qualified professional investment experience; 3) join CFA Institute as members; and 4) commit to abide by, and annually reaffirm, their adherence to the CFA Institute Code of Ethics and Standards of Professional Conduct.

### **High Ethical Standards**

The CFA Institute Code of Ethics and Standards of Professional Conduct, enforced through an active professional conduct program, require CFA charterholders to:

- Place their clients' interests ahead of their own
- Maintain independence and objectivity
- Act with integrity
- Maintain and improve their professional competence
- Disclose conflicts of interest and legal matters

### **Global Recognition**

Passing the three CFA exams is a difficult feat that requires extensive study (successful candidates report spending an average of 300 hours of study per level). Earning the CFA charter demonstrates mastery of many of the advanced skills needed for investment analysis and decision making in today's quickly evolving global financial industry. As a result, employers and clients are increasingly seeking CFA charterholders—often making the charter a prerequisite for employment.

Additionally, regulatory bodies in over 30 countries and territories recognize the CFA charter as a proxy for meeting certain licensing requirements, and more than 125 colleges and universities around the world have incorporated a majority of the CFA Program curriculum into their own finance courses.

### **Comprehensive and Current Knowledge**

The CFA Program curriculum provides a comprehensive framework of knowledge for investment decision making and is firmly grounded in the knowledge and skills used every day in the investment profession. The three levels of the CFA Program test a proficiency with a wide range of fundamental and advanced investment topics, including ethical and professional standards, fixed-income and equity analysis, alternative and derivative investments, economics, financial reporting standards, portfolio management, and wealth planning.

The CFA Program curriculum is updated every year by experts from around the world to ensure that candidates learn the most relevant and practical new tools, ideas, and investment and wealth management skills to reflect the dynamic and complex nature of the profession.

### CERTIFIED FINANCIAL PLANNER™ ("CFP®")

The CERTIFIED FINANCIAL PLANNER™, CFP®, and federally registered CFP® (with flame design) marks (collectively, the "CFP® marks") are professional certification marks granted in the United States by CERTIFIED FINANCIAL PLANNER™ Board of Standards, Inc. ("CFP® Board").

The CFP® certification is a voluntary certification; no federal or state law or regulation requires financial planners to hold CFP® certification. It is recognized in the United States and a number of other countries for its (1) high standard of professional education; (2) stringent code of conduct and standards of practice; and (3) ethical requirements that govern professional engagements with clients. Currently, more than 87,000 individuals have obtained CFP® certification in the United States.

To attain the right to use the CFP® marks, an individual must satisfactorily fulfill the following requirements:

- **Education** – Complete an advanced college-level course of study addressing the financial planning subject areas that CFP Board's studies have determined as necessary for the competent and professional delivery of financial planning services, and attain a Bachelor's Degree from a regionally accredited United States college or university (or its equivalent from a foreign university). CFP Board's financial planning subject areas include insurance planning and risk management, employee benefits planning, investment planning, income tax planning, retirement planning, and estate planning;
- **Examination** – Pass the comprehensive CFP® Certification Examination. The examination includes case studies and client scenarios designed to test one's ability to correctly diagnose financial planning issues and apply one's knowledge of financial planning to real-world circumstances;
- **Experience** – Complete at least three years of full-time financial planning-related experience (or the equivalent, measured as 2,000 hours per year); and
- **Ethics** – Agree to be bound by CFP Board's *Standards of Professional Conduct*, a set of documents outlining the ethical and practice standards for CFP® professionals.

Individuals who become certified must complete the following ongoing education and ethics requirements in order to maintain the right to continue to use the CFP® marks:

- **Continuing Education** – Complete 30 hours of continuing education hours every two years, including two hours on the *Code of Ethics* and other parts of the *Standards of Professional Conduct*, to maintain competence and keep up with developments in the financial planning field; and

- **Ethics** – Renew an agreement to be bound by the *Standards of Professional Conduct*. The *Standards* prominently require that CFP® professionals provide financial planning services at a fiduciary standard of care. This means CFP® professionals must provide financial planning services in the best interests of their clients.

CFP® professionals who fail to comply with the above standards and requirements may be subject to CFP Board's enforcement process, which could result in suspension or permanent revocation of their CFP®.

Jacobson & Schmitt Advisors, LLC - Associate Wealth Advisor - Paraplanner	12/2023 to Present 05/2021 to 12/2023
Full time Student, Utah Valley University	3/2020 to 4/2021

### Certified Financial Planner ("CFP®")

The CERTIFIED FINANCIAL PLANNER™, CFP® and federally registered CFP® marks (collectively, the "CFP® marks") are professional certification marks granted in the United States by Certified Financial Planner Board of Standards, Inc. ("CFP® Board").

The CFP® certification is a voluntary certification; no federal or state law or regulation requires financial planners to hold CFP® certification. It is recognized in the United States and a number of other countries for its (1) high standard of professional education; (2) stringent code of conduct and standards of practice; and (3) ethical requirements that govern professional engagements with clients. Currently, more than 71,000 individuals have obtained CFP® certification in the United States.

To attain the right to use the CFP® marks, an individual must satisfactorily fulfill the following requirements:

- Education – Complete an advanced college-level course of study addressing the financial planning subject areas that CFP® Board's studies have determined as necessary for the competent and professional delivery of financial planning services and attain a bachelor's degree from a regionally accredited United States college or university (or its equivalent from a foreign university). CFP® Board's financial planning subject areas include insurance planning and risk management, employee benefits planning, investment planning, income tax planning, retirement planning, and estate planning.
- Examination – Pass the comprehensive CFP® Certification Examination. The examination, administered in 10 hours over a two-day period, includes case studies and client scenarios designed to test one's ability to correctly diagnose financial planning issues and apply one's knowledge of financial planning to real world circumstances.
- Experience – Complete at least three years of full-time financial planning-related experience (or the equivalent, measured as 2,000 hours per year); and
- Ethics – Agree to be bound by CFP® Board's Standards of Professional Conduct, a set of documents outlining the ethical and practice standards for CFP® professionals.

Individuals who become certified must complete the following ongoing education and ethics requirements in order to maintain the right to continue to use the CFP® marks:

- Continuing Education – Complete 30 hours of continuing education hours every two years, including two hours on the Code of Ethics and other parts of the Standards of Professional Conduct, to maintain competence and keep up with developments in the financial planning field; and
- Ethics – Renew an agreement to be bound by the Standards of Professional Conduct. The Standards prominently require that CFP® professionals provide financial planning services at a fiduciary standard of care. This means CFP® professionals must provide financial planning services in the best interests of their clients.

CFP® professionals who fail to comply with the above standards and requirements may be subject to CFP® Board's enforcement process, which could result in suspension or permanent revocation of their CFP® certification.

Paraplanner, Jacobson & Schmitt Advisors, LLC	01/2022 to 04/2025

### CERTIFIED FINANCIAL PLANNER® Professional

I am certified for financial planning services in the United States by Certified Financial Planner Board of Standards, Inc. ("CFP Board"). Therefore, I may refer to myself as a CERTIFIED FINANCIAL PLANNER® professional or a CFP® professional, and I may use these and the other certification marks (the "CFP Board Certification Marks") that Certified Financial Planner Board of Standards Center for Financial Planning, Inc. has licensed to CFP Board in the United States. The CFP® certification is voluntary. No federal or state law or regulation requires financial planners to hold the CFP® certification. You may find more information about the CFP® certification at [www.cfp.net](http://www.cfp.net).

CFP® professionals have met CFP Board's high standards for education, examination, experience, and ethics. To become a CFP® professional, an individual must fulfill the following requirements:

- **Education** – Earn a bachelor's degree or higher from an accredited college or university and complete CFP Board-approved coursework at a college or university through a CFP Board Registered Program. The coursework covers the financial planning subject areas CFP Board has determined are necessary for the competent and professional delivery of financial planning services, as well as a comprehensive financial plan development capstone course. A candidate may satisfy some of the coursework requirement through other qualifying credentials. CFP Board implemented the bachelor's degree or higher requirement in 2007 and the financial planning development capstone course requirement in March 2012. Therefore, a CFP® professional who first became certified before those dates may not have earned a bachelor's or higher degree or completed a financial planning development capstone course.
- **Examination** – Pass the comprehensive CFP® Certification Examination. The examination is designed to assess an individual's ability to integrate and apply a broad base of financial planning knowledge in the context of real-life financial planning situations.
- **Experience** – Complete 6,000 hours of professional experience related to the personal financial planning process, or 4,000 hours of apprenticeship experience that meets additional requirements.
- **Ethics** – Satisfy the Fitness Standards for Candidates for CFP® Certification and Former CFP® Professionals Seeking Reinstatement and agree to be bound by CFP Board's Code of Ethics and Standards of Conduct ("Code and Standards"), which sets forth the ethical and practice standards for CFP® professionals.

Individuals who become certified must complete the following ongoing education and ethics requirements to remain certified and maintain the right to continue to use the CFP Board

### Certification Marks:

- **Ethics** – Commit to complying with CFP Board's Code and Standards. This includes a

commitment to CFP Board, as part of the certification, to act as a fiduciary, and therefore, act in the best interests of the client, at all times when providing financial advice and financial planning. CFP Board may sanction a CFP® professional who does not abide by this commitment, but CFP Board does not guarantee a CFP® professional's services. A client who seeks a similar commitment should obtain a written engagement that includes a fiduciary obligation to the client.

- **Continuing Education** – Complete 30 hours of continuing education every two years to maintain competence, demonstrate specified levels of knowledge, skills, and abilities, and keep up with developments in financial planning. Two of the hours must address the Code and Standards.

### Item 3 – Disciplinary Information
